Reply comments in support of the Alliance for Community Media in the proceeding to consider restrictions on "Indecent Programming and Other Types of Materials on Cable Access Channels."

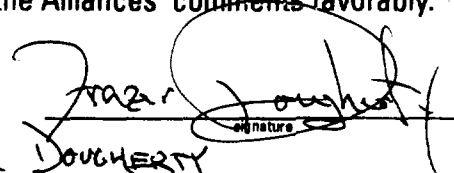

EX PARTE OR LATE FILED

TO THE COMMISSION:

I make an access program HELLO! HELLO! EAST END about  
DAILY CURRENT AFFAIRS

Public Access Television is the only place where I can make and show my own programs. My interests are not always conveyed in the mainstream media, but I can express my opinions and hear other people's on my PEG access channels. If the cable company (or anyone) is allowed to censor programs, for any reason, an invaluable free speech forum will be destroyed. I urge you to consider the Alliances' comments favorably.

Respectfully submitted,
